

THE GIGSPANNER CONCERT

Saturday 17th October 2009

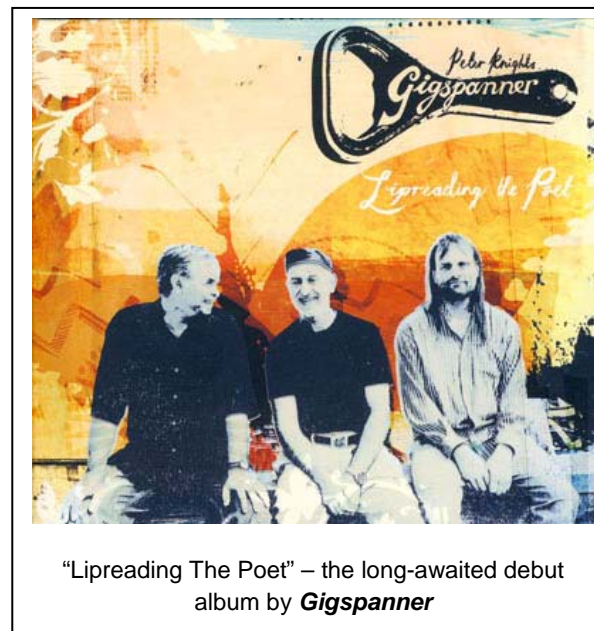

Roger Flack, Peter Knight, Vincent Salzaas

Having now clocked up almost 40 years with **Steeleye Span**, fiddle-player Peter Knight's name and reputation are known to most people with an interest in traditional music. His idiosyncratic style, which effortlessly traverses several genres, has been an inspiration to many and yet, to a great extent, the full range of his playing is largely unknown. This is about to change...

Wishing to create an opportunity to explore more fully the areas of music that interest him, Peter has created his own trio, **Gigspanner**, where he is joined by guitarist Roger Flack

and Afro-percussionist Vincent Salzaas, who are both powerful and intelligent musicians in their own right.

"Lipreading The Poet" – the long-awaited debut album by **Gigspanner**

What People are saying about Gigspanner ...

I was entirely mesmerised. I must say it ranks in the top 3 highlights of any festival/gig/concert I have attended. Spine-tinglingly brilliant!!
